Color eBook Mobile Library

Pictures are for reference only and actual contents will prevail.

Taktsu

Energy saving

Eye protection

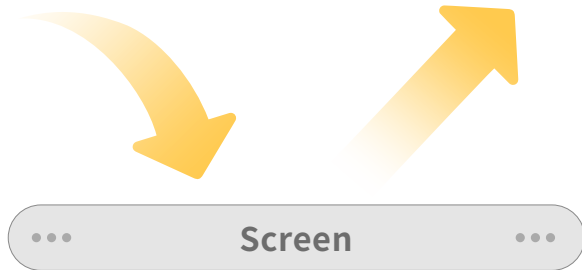

Flicker-free

Start the morning with reading

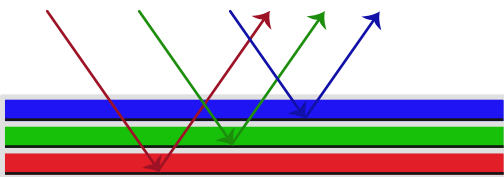

Cholesteric LCD

New Display Technology

Auto screen brightness adaptation by ambient lighting.

White(RGB)

Cholesteric LCD

ChLCD Technology

- No backlight, total reflection technology
- Full 16.7 million colors
- Page refresh rate < 1 sec
- Bi-stable, Flicker-free, no delay

Note Archive

Note

The 10-inch screen is the best size. You can write whatever you want while reading. It's a perfect experience for handwritten notes.
